Circled letters on the form above correspond to the instructions on the following page. **You must complete all shaded areas.**

I. APPLICATION INSTRUCTIONS FOR FPCA

A The last four digits of your Social Security number OR your Connecticut Driver's License number is required for voter registration. If you do not possess either of these identifications, the State shall assign a number that will serve to identify you for voter registration purposes.

B Provide the complete street address of your Connecticut voting residence. A post office box is not sufficient. If your address includes a rural route, describe its location in Block 6. For example: "on Highway _____, 2 miles past Highway _____, across the street from the _____ gas station." This address must be different from the one provided in Block 4 and must be within the town or township where you claim legal voting residence.

C Print the complete address where you want your ballot sent — usually your current mailing address. Your current mailing address must be different from the address you provided in Block 3.

D This form acts as a request for a mailed absentee ballot only. Connecticut does not allow you to receive or return the absentee ballot electronically. See Section II.E or III.E.

E If you do not list a party affiliation, you cannot vote in primary elections. You must indicate your political party affiliation when applying for a primary ballot (Example: Democrat, Republican) or write "none" in Block 5 of the FPCA. Political party affiliation is not required if only requesting absentee ballots for general elections. If you are currently enrolled in one political party and change to another political party, you will have rights in no party for three months from the date of filing your change of political party.

F You must sign and date the FPCA. When signing, you are swearing or affirming that the information is true and correct.

II. UNIFORMED SERVICES

A. Who Can Do It

These procedures apply to persons who are U.S. citizens, residents of Connecticut and members of the Uniformed Services and their family members. Uniformed Services are defined as the U.S. Armed Forces, merchant marine, commissioned corps of the Public Health Service and the National Oceanic and Atmospheric Administration.

B. Registering and Requesting an Absentee Ballot

To register and request an absentee ballot, send your completed FPCA to the local Town Clerk so that it arrives not later than 5 p.m. on the day before the election. You

may use the same FPCA to register and apply for an absentee ballot.

If you are already registered and wish to request an absentee ballot only, send your completed FPCA to the local Town Clerk so that it arrives anytime before the election.

C. Casting Your Vote

Ballot Return Deadline: Voted ballot must arrive at the local election office before the close of polls on election day.

The local election official will send you a blank write-in absentee ballot which includes a list of all candidates and questions on the ballot approximately 30 days before the primary election and approximately 45 days before the general election.

Regular absentee ballots are available 21 days before the primary and 31 days before the general election.

If you have not received your state ballot in a timely manner, you may also use the **Federal Write-In Absentee Ballot**. See instructions below.

D. Notary/Witness Requirements

No registration or voting materials are notarized or witnessed.

E. Electronic Transmission of FPCAs and Ballots

■ Connecticut allows you to send the FPCA for absentee ballot request by fax. If you are using the FPCA to register, you may fax the FPCA but you must also mail the original FPCA separately to the local Town Clerk so that it arrives before 5:00 p.m. on the day before the election.

■ Connecticut does not allow you to receive the blank ballot by fax.

■ Connecticut does not allow you to return the voted ballot by fax.

Please refer to Appendix B for specific instructions when transmitting election materials electronically. Use the following numbers:

DSN 223-5527
(703) 693-5527

1-800-368-8683

(from U.S., Canada, Guam, Puerto Rico, Virgin Islands only)

International toll-free fax numbers
(See inside back cover)

F. Special Write-In Absentee Ballot

A state special blank write-in absentee ballot is available beginning 90 days before an election to Armed Forces members and their spouses and dependents accompanying

them who, due to military contingencies, are unable to follow the regular absentee application process.

Vote this ballot by writing in the names of specific candidates and their offices.

Use the FPCA to request this state special write-in ballot. In Block 6 of the FPCA, place one of the state special write-in labels from Section IV.H. If no labels are available, write in Block 6: "Due to military contingencies, I am unable to follow the regular absentee ballot application process. I request a special write-in absentee ballot."

You may request the state special write-in ballot at any time and it is available 90 days before the general election.

G. Federal Write-In Absentee Ballot

Connecticut is not required to accept the FWAB, but in 1996 began accepting it **only for Federal elections**.

For further instructions on the FWAB, see instructions in Chapter 2, page 21.

H. Application for Ballot by Proxy

If you are a member of the Armed Forces or merchant marine, or the spouse or dependent of a member residing where the member is stationed, anyone may ask the Town Clerk to send you registration materials and/or a ballot.

Instructions continue in Section IV: Uniformed Services & Civilians Outside U.S.

III. CIVILIANS OUTSIDE U.S.

A. Who Can Do It

These procedures apply to persons who are U.S. citizens, residents of Connecticut and overseas electors. The term "overseas elector" means a U.S. citizen who resides outside the United States and (but for such residence) would be qualified to vote in Connecticut.

- Connecticut residents temporarily residing outside the U.S. (for local, state and Federal office ballots)
- overseas electors (for Federal office ballots only)

B. Registering and Requesting an Absentee Ballot

Overseas electors are not required to register.

If you are an unregistered citizen temporarily outside the U.S., you may register and request an absentee ballot by sending your completed FPCA to the local Town Clerk so that it arrives not later than 5 p.m. on the day before the election. You may use the same FPCA to register and apply for an absentee ballot.

If you are already registered, or you are an overseas elector (not required to register) and wish to request an absentee ballot only, send your completed FPCA to the local Town Clerk so that it arrives anytime before the election.

C. Casting Your Vote

Ballot Return Deadline: Voted ballot must arrive at the local election office **before the close of polls on election day**.

Local election officials mail a blank write-in absentee ballot to registered persons temporarily residing outside the U.S. approximately 30 days before the primary and approximately 45 days before the general election. Local election officials mail ballots to overseas electors 30 days before the primary and 45 days before the general election.

If you have not received your state ballot in a timely manner, you may also use the **Federal Write-In Absentee Ballot**. See instructions below.

D. Notary/Witness Requirements

No registration or voting materials are notarized or witnessed.

E. Electronic Transmission of FPCAs and Ballots

- If you are a Connecticut resident temporarily residing outside the U.S., you may send the FPCA for absentee ballot request by fax. If you are using the FPCA to register, you may fax your FPCA, but you must also mail the original FPCA separately to the local Town Clerk so that it arrives before 5:00 p.m. on the day before the election.
- If you are an overseas elector (not required to register), you may send the FPCA for absentee ballot request by fax, but you must also mail the original FPCA to the local Town Clerk either separately or with the voted ballot so that it arrives before the close of polls on election day, in order for the ballot to be counted.
- Connecticut does not allow you to receive the blank ballot by fax.
- Connecticut does not allow you to return the voted ballot by fax.

Please refer to Appendix B for specific instructions when transmitting election materials electronically. **Use the following numbers:**

DSN 223-5527
